ABOUT BODHI SPA

‘Bodhi’ is a Sanskrit word, when translated to English, means awakening, enlightenment or self-realization. This is the primary goal of all our therapies. We adopt a holistic approach to wellness of the body and spirit which makes our signature therapies an exhilarating experience. Our approach to all therapies is based on engaging the five senses – sight, sound, touch, taste, and smell to achieve the 6th sense – peace, which is our ultimate goal, to help you on your journey to your 7th sense – ‘Bodhi’!
